BIG HISTORY!

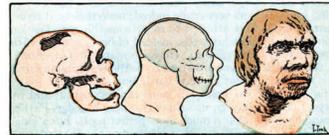

An Introduction to (Nearly) Everything

**Cosmic
History**

**Earth
History**

**Human
Pre-History**

**Human
History**

Curious about the history of the cosmos, Earth, life, and humanity?

Big History offers a big picture of events from the Big Bang to the formation of the Earth and from the evolution of life to human history.

Join chemistry professor John Hostettler for nine free presentations using DVDs from the Teaching Company course taught by world historian David Christian, McQuarry University, Sydney, Australia.
